

Overseas/International Pupil** Fees 2026-27

Registration Fee

If you would like to apply for a place at Brighton College Prep Hove, we ask for a non-refundable registration fee of £470 (incl VAT).

Acceptance Deposit

Once offered, a place cannot be secured until the School is in receipt of the completed and signed Acceptance Form and cleared deposit. The Acceptance Deposit is £12,000.

Please note that if, for any reason, the acceptance of a place at Brighton College Prep Hove is cancelled by you less than one term (plus the holidays prior to that term) before entry or if the pupil does not join the School after a place has been accepted, then the higher of one term's fees or the Acceptance Deposit becomes due and immediately payable (if not already paid) and will be retained by the School.

Once accepted, deposits are retained and held over from term to term until the pupil leaves. Any balance due will be refunded as a credit (without interest) against the final payment of extras or other sums due. Please note, deposits are not a contribution towards the first, final or any term's tuition fees.

Appendix: Nursery Fees and the Early Years Free Entitlement (EYFE)

As per the Nursery Fees table enclosed above, the net cost to parents takes into account the EYFE (Early Years Free Entitlement) 15 free hours per week your child receives within the mandatory morning sessions.

In the unlikely event that EYFE were to be withdrawn or amended, the School would need to charge parents an additional sum in respect of these non-funded EYFE hours. Please also note that the 15 free hours per week credit is averaged across the whole academic year as each of the three terms have different week lengths. For those parents in eligible postcodes, further EYFE credit supplements may be applied to your termly bills where appropriate.

Please also note that we offer EYFE hours to those who only want the EYFE hours between 12.15pm and 3.30pm Monday to Friday, subject to availability. There is no requirement to purchase additional hours of childcare before or after these sessions. Note that Registration Fees are not applicable to those who only attend the standalone EYFE hours.

We do not offer the additional 15 hours (or total of 30 hours) available to qualifying parents.

Parents are reminded that half a term's notice is required for any changes to Nursery afternoon session requests.

For morning sessions only, this notice requirement reduces to one month's notice given we are unable to separate out EYFE (Early Years Free Entitlement) hours versus other morning session non-EYFE funded hours.

Please contact prephoveadmissions@brightoncollege.net for more details.

Please note that any EYFE funding not utilised by parents at the School due to the School not operating for a full 38 weeks or due to unscheduled or scheduled closures (snow days, bank holidays etc.) is unlikely to be available to parents at other settings.
